**ZERO WASTE NETWORK SESSION 2** | Valentine Room

**11.00am - 11.30am**

**ALICE LENEÝ** | Container Deposit Scheme in a Pacific Microstate

Alice worked to design and implement a deposit/refund recycling system for Kiribati, working alongside the Kiribati government, a local NGO (FSP Kiribati), and multilateral donors. The simple system devised became a template for other small island states in the region. Alice will be addressing the legislative framework, contractual arrangements, deposit and refund rates and the social marketing and behaviour change aspects of introducing the system.
